

Preferred Vendors

The Children's Museum of Denver at Marsico Campus is proud to work with an outstanding group of vendors who can assist with all your catering and event needs. Only caterers and services from our approved list may be used for your event, unless advance approval is given by the Museum. We are confident that the exceptional offerings from these vendors will provide you with an excellent variety of cuisine, pricing and styles of service, in addition to knowledge about the unique conditions of catering at the Children's Museum.
